

## A Scout is Reverent

# February 13<sup>th</sup> is Scout Sunday!

Scout Sunday is a Sunday to recognize the contributions of young people and adults to Scouting.

Ideas of how to participate:

- 1) Wear your uniform and sit with other scouts who attend your place of worship on that Sunday.
- 2) Ask your pastor or priest if you and other scouts who attend your place of worship can participate in that Sunday's service. For example, do an opening and closing flag ceremony, read scripture, collect the offering, etc.

Check out this website for more ideas:

Please note – traditionally, Scout Sunday is held the Sunday prior to Feb. 8<sup>th</sup>, however, our District elected to hold it on the Sunday after the 8th this year.

If you participate – please let Jim Deak know by March 3rd and we will get you a patch like the one pictured above to give out at the MARCH PACK MEETING.
