Pack 636 Raingutter Regatta

Saturday, July 23rd

10:00am Check-In

11:30am First Race

Liberty Park, Shelter #2

Boat Classes: BSA kit and Recycled Scouts can enter a boat in both classes.

What is a Raingutter Regatta? It's a boat race in a raingutter! Make your own boat from a BSA kit or make one out of recycled materials like a juice box. Boys place their boats in a raingutter filled with water, blow on the sail through a straw and race their opponent to the other side!

Perfect for a hot day!
